

This is Grace,
She just came home from her
class at 2 and is really hungry

She texts her friends to
see if anyone can take her
to a groceries but every-
one is in class right now

She remembers that her friend about an
app that can deliver cheap groceries
and decides to try it out

She Orders some snacks
and waits for them to
come

The food arrived
surprisingly quick,
and was pretty cheap

She made fried rice
with what she got and
happy she got it fast
and cheap
